The 10th Noge-sei Festival

What is Noge-sei Festival?

This event allows you to enjoy the programs and youth activities held at Noge-sei through experience booths, a stage, and demonstrations! This year's catchphrase is "Break through the limits of enthusiasm!" Come and experience the excitement and enthusiasm that only Noge-sei Festival can offer!

Demonstrations

This year's activities include introducing the Noge-sei program, displaying a manga campaign booth, and showcasing all issues of the Noge-sei newsletter, which has been published since 2015! Please come and see the "Noge-sei traces" that we have walked so far at the venue!

Booths

There are plenty of booths to energize this festival! There are game booths where everyone can play, as well as booths selling food, such as popcorn, cookies, and rice balls! Let's all eat, play, and have fun together!

Stage

Young people who engage in daily activities at Noge-sei and stages for local young people to perform! A wide variety of performances, including sword-fighting demonstrations and violin and guitar performances! What kind of stage will it be this year? Stay tuned to find out!

Milk-chan

There will be ponies!

This is the first time in the history of Noge-sei that we will have ponies! This is a rare opportunity, so for good fortune, please come and see us in the year of the horse!

This flyer was prepared in collaboration with members of the youth management committee "Nogeyan".

What is Noge-sei?

Noge Youth Exchange Center (or Noge-sei) is a facility where young people from elementary school age up to 39 years old can freely visit and engage in activities. Please come and visit us sometime.
